

Entertainment & Events Industry Insurance

Australia's renowned Entertainment & Events industry attracts millions of visitors each year from all corners of the globe.

We know that in the entertainment, sports and leisure industries, multi-million dollar decisions are made each day and the insurance requirements are as varied and dynamic as the productions, events and people who need protecting.

Businesses operating within the Entertainment & Events industry are particularly susceptible to a wide variety of risks, so it's important that you protect your event, your venue and your business with appropriate insurance coverage. We work with insurers who are able to offer a range of insurance policies that cover public liability, property and business interruption, as well as other policies that may be relevant to the niche you operate in.

Film & TV, theatre, sport or a different category altogether, we can source cover, no matter how complicated or diverse your events and business may be.

As an Authorised Representative of PSC Connect, we are part of PSC Insurance Brokers, Australia's largest privately owned insurance network. With offices around the country, we can call on 400 staff to help us help you.

That means we've got more to offer you and help you negotiate your way through your insurance. Whether that's just working with you to understand your business and the range of risks that are unique to your business, through to using our considerable buying power to negotiate with insurers on your behalf.
